TOTAL PROTECTION
Constructed of GORE-TEX® 3-layer laminate, proven to be durably waterproof, windproof and breathable fabric.

ULTIMATE PERFORMANCE
Strategic construction of front hand warming cargo pockets allows quick and easy access to equipment. Optional zip in liner provides warmth in colder temperatures.

DEPARTMENT FOCUSED
We put you in control. Choose from 13 different colors including two-tone combinations. Select from multiple options to build the perfect jacket for your department.

BENEFITS OF GORE-TEX®
GORE-TEX® laminate is machine washable.
Remains waterproof after more wet flexing, abrasion and cold flexing than any other waterproof/breathable fabric.
A total barrier to rain and snow, yet, permits perspiration vapor to escape, allowing your body to cool itself naturally through evaporation.
GORE-TEX® laminate is made by world class manufacturers who are licensed by W.L. Gore & Associates, Inc. and agree to manufacture according to Gore’s strict quality assurance performance requirements.

STANDARD FEATURES
- GORE-TEX® 3-Layer laminate
- Two fleece lined hand warmer cargo pockets w/double pen pockets
- EZ-action articulated sleeves
- Elastic hook/loop cuff closures
- Color matched badge tab or Customer supplied breast patch
- Color matched mic tabs
- Front storm Flap
- 3” Stand up collar
- Snaps for optional hood

CUSTOM OPTIONS
- 13 colors available plus two-tone option
- Six collar & hood configurations
- 12 sleeve lengths (1” increments)
- Nine body lengths (2” increments 28” - 36”)
- Four pocket options
- Weapons access & underarm water resistant zippers

ALSO AVAILABLE
- Custom back panels
- Stealth mode
- 3M-Scotchlite™ reflective
- Zip-in fleece liner available
- Embroidery / screen print
- Badge & patch custom options
- Zip in liners available
